ORDER

At Wilmington this 25th day of March, 2015, having considered defendant's motion to stay;

IT IS ORDERED that said motion (D.I. 408) is denied. I am not generally inclined to stay litigation pending administrative proceedings absent mandate or agreement by the parties. I am certainly not inclined to do so on the eve of trial, with the administrative proceedings no nearer to a final resolution and issues of infringement still pending.
